

Appraiser. Dr Kevin Herbert. MbChB DAv.Med.

I have been an enthusiast for appraisal for many years, pre-dating its introduction into the NHS. I am a fully trained and experienced appraiser, having undertaken staff, colleague, GP, and consultant appraisals over some years. Having parted company with the NHS after 31 years, I work as an AME in sole practice, from home. I am based in Northamptonshire and am happy to travel to your workplace, or other agreed venue, for the appraisal interview. I am the appraisal lead for the Association of Aviation Medical Examiners, as well as being the Honorary Secretary.

My preferred contact is by mobile phone (voice or text) 07710 202492, or by e-mail kevin@daymed.com
