All AAME members paying subscription by standing order

Dear Dr

## MEMBERSHIP SUBSCRIPTION – STANDING ORDER AMENDMENT

Following the decision at the recent AGM to amend the annual membership subscription it is necessary for members to amend their standing order.

The standing order is currently £30.00 payable annually on 1 June. Please arrange with your bank to amend this to £75.00, payable on 1 June every year, starting on 1 June 2009.

This can be done very easily and quickly by internet or telephone banking; alternatively you may wish to complete the attached proforma (this contains the Association's bank details) and send it to your bank. **Please ensure** the reference is your AAME Membership Number, this will then appear on the Association's bank statement to simplify the task of identifying members' payments.

Please confirm you have amended your standing order by sending an e-mail to [treasurer@aame.org.uk](mailto:treasurer@aame.org.uk) with "Standing order updated" as the subject heading, and your name and membership number only in the text.

Finally, I would be most grateful for your prompt attention to this, in order to avoid payment of old standing orders of £30 on 1 June 2009.

Yours sincerely,

Dr D N Tallent
